THAT'LL BE  
LATS YEN  
PLEASE—

MY NAME IS  
KIMINO DEBA,  
AND I WORK  
AT A PHARMACY  
IN KYOTO.

I HAVEN'T TOLD  
ANYONE THIS,  
BUT I REALLY  
DON'T LIKE THOSE  
HOLDC-SAN  
DOLLS...

"You Mean Behind that smile"

THANK  
YOU VERY  
MUCH—

IN GENERAL,  
I LOVE  
DOLLS AND  
I ACTUALLY  
HAD A  
HOLDC-SAN  
DOLLCE AND  
LOVED IT  
AT THE  
BEGINNING.

THAT IS  
UNTIL IT  
SAW IT—  
AFTER THE  
CAME BACK  
FROM  
KILLING,  
A LOT OF  
BUGS...

THAT'S  
WHAT I  
THINK TO  
MYSELF.  
DOES THAT  
MAKE ME  
A BAD  
STORE  
CLOSER?

WELCOME—

EWW—!!  
DON'T  
COME  
NEAR  
ME—

EVER  
SINCE THEN,  
WHENEVER  
I GET A  
CUSTOMER  
BUY  
ANYTHING  
HOLDC-SAN  
RELATED.

I WONDER  
WHAT KIND OF  
POSE SHE'LL MAKE.

to be a virus  
which destroys  
Hakoi-san's

only allows it  
to make one  
pose when it's  
turned on.

DONE IT

IT'LL LET

Super Mobile Hocho-san

According to the engineers, the parts for the engine would be at least 50 cm long. Because of this, Mr. Furuyashiki's idea was never authorized for production. The engineers were about to begin.

IT LOOKS SO MUCH NICER THAN THAT RATTLE GUIT. IT WAS REALLY WORTH STAYING UP LATE MAKING IT~!!

The Marul of "False Heaven"

HU HU

IT FITS PERFECTLY

GYAAAAA!!!  
GOOD MORNING, COMBAT!

HU HU HU, OK THEN, SLEEP WELL, SERGEANT COMBAT!

NO, DON'T RISE TO FIGHT GOOD-MORNING ANYMORE~

ALRIGHT COMBAT! SAA, YOUR FUTURE ANYTHING WERE NOW

GOODBYE

HEL, YES

The Marul of "Whisperings of a garbage can"

I GUESS THERE'S ONE LEFT YOU GOT LUCKY KIMI-CHAN.

YOU GAVE ME 42,000 YEN, YOUR CHANCE IS 20 YEN.

THANK YOU FOR EVERYTHING TODAY, BE CAREFUL ON YOUR WAY HOME

GOOD NIGHT~

WUP

KIMI-CHAN LOOKED SO HAPPY GETTING COMBAT-CHAN. I JUST HOPE SHE DOESN'T END UP THROWING IT AWAY LIKE SHE DID WITH KOTO-CHAN.

I SHOULD PROBABLY TAKE OUT THE TRASH AND RECYCLE THESE MISC.

"RESERVED?" WARD'S TALK?

THE LAST ONE...

I'M SO GLAD I WAS ABLE TO GET IT!!

Combat-kan will sometimes respond to you even though it doesn't understand your overwords. This is not a design flaw. This is how it was designed to behave.

BOSS--

Bugs have become immune to all pesticides and are multiplying at an incredible rate. This has caused quite a problem for the human race.

It's the Year 2033

The medical company Miro Pharmaceuticals took the situation seriously and created a unique extermination virus to replace the old forms of pesticides that had become rendered useless.

This product may cause serious allergic reactions. Use with caution unless you have an allergy to this drug.

They were only programmed for the extermination of bugs.

But then...

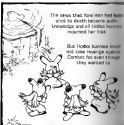

Mini Pharmacia was a special kind of pharmacy powered by the Hoho bunny.

When it was destroyed, the Hoho bunny was the only one left.

Hoho bunny took revenge for the old woman. Kim-san, with the aid of Mini Pharmacia's power patch.

The news that Kim-san had been shot to death became public knowledge and all Hoho bunnies mourned her loss.

But Hoho bunnies could not take revenge against Combat fox even though they wanted to.

The Manual of "Hoho bunny and Combat fox"

I CARRY COMBATED, LAUNCHING BOMB ATTACK.

However, there was someone who was not a member of the Hoho bunny.

Hoho bunny killed all the bunnies in the house to return Kim-san's revenge.

A long time ago an old woman named Kim-san and Hoho bunny lived together.

Muttering to itself, Combat-san dashed into Kim's house and fired recklessly at Hoho bunny.

THAT WAS NOTHING THAT COULD BE DONE...

Combat fox is a weapon with the latest armor plating round firing range and it's really strong through the main gun and the old woman Kim-san!

Kim-san's bunny held out its gun to protect Hoho bunny.

They come out too often  
I heard that that nerd with an  
appetite for a hole is collecting  
them too. Too bad for him. It's a

People were fascinated by the brand new customization system called "Mixed Frame" by which you could freely mix-and-match any body part to make your very own Post-X-ean.

The third Interceptor-Bell, Post-X-ean from Xenotex became the top selling product, despite being an import.

MR. WIZARD

But...

For Mike Pham-Hoang, which had gone the wrong direction with their Hohe-san development, sales continued to fall. With the release of Post-X-ean, the end was near.
